

HISTORIC DOWNTOWN ROME ACHIEVEMENT AWARD PROGRAM 2016

Recognizing
Economic
Development
Improvements and
Community
Leaders
that Enhance the
Downtown District:
*the Foundation
for a Successful
Revitalization
Effort*

The Downtown Development Authority's success each year is directly related to the enthusiasm and dedication of its many volunteers. The tasks completed by the volunteers that serve on the Board, on Committees, and on special projects and events facilitate the success of this organization. Therefore, individuals that display a passion and commitment towards growth and improvement of the downtown district deserve to be recognized. Additionally, significant achievement and contributions of property and business owners in the downtown district should be acknowledged. Without continued interest in improving the facilities and investing in new and exciting businesses, downtown would lose its vitality as a center of shopping, dining, business and entertainment.
