

# Historic Plaque Program

*a walk thru time*

**ROME DOWNTOWN  
DEVELOPMENT AUTHORITY  
DESIGN COMMITTEE**

IN PARTNERSHIP WITH

ROME AREA HERITAGE  
FOUNDATION, ROME AREA  
HISTORY MUSEUM and ROME  
BUSINESS IMPROVEMENT  
DISTRICT,

have taken on the task of developing a Historic Plaque Program that identifies the original use and date of construction of properties within the central business district of Rome.

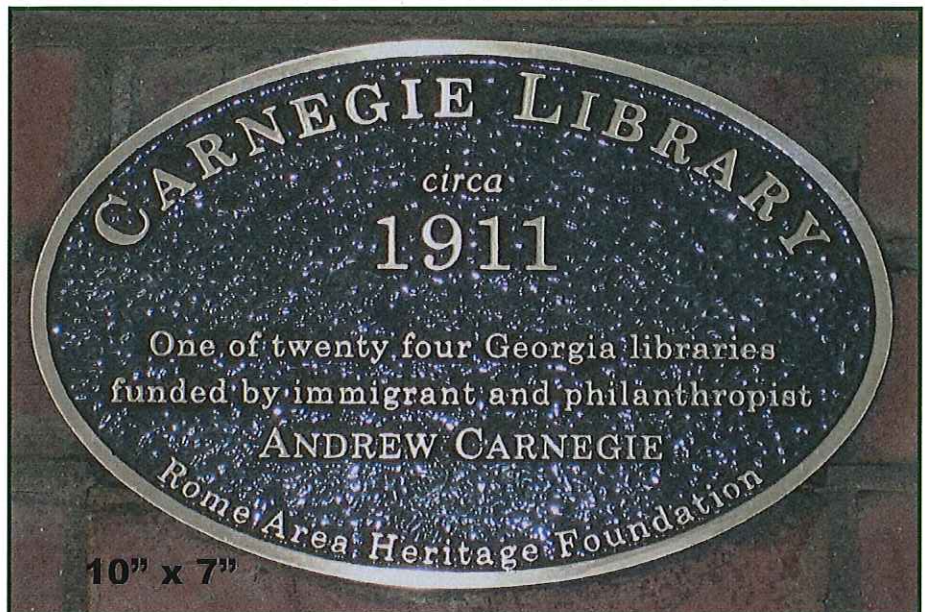

Buildings will be identified and owners of those properties solicited to purchase a plaque. While the overall focus will be in three stages, participation will be on a first come basis.

- Phase 1 Buildings pre 1900
- Phase 2 1901-1930
- Phase 3 After 1931

Owners will be offered a 50% grant for participating. The matching grant is provided by The Rome Area Heritage Foundation and the Rome Business Improvement District.

Plaques are \$200 each and the goal is to fund approximately 30 individual properties each year for a period of three years, focusing primarily on Broad Street. Multiple plaques may be purchased for properties with multiple store fronts.

Join the walk thru time and honor the history of your property by purchasing a plaque.

**Yes,** place my property on the *walk thru time* and I will purchase a Plaque to be installed on the façade of the building.

By providing information and signing below I agree to:

- Allow the installation of a bronze plaque on my property
- Release the Authority and its partners of liability for installation
- Pay \$100 toward the \$200 cost of the plaque
- Accept a grant for the \$100 balance of the cost of the plaque
